

BOND VOTE NEXT TUESDAY

People Will Decide on Bonding
Issue Amounting to \$50,000.

EVERY VOTER IS FAVORABLE

As Can be Ascertained the Issue
Will be Carried Unanimously—The
Bonds to be Used for Purpose of Se-
curing Educational Facilities.

Next Tuesday will be an important
day in the history of Gainesville, for
on that day, with the ballot, the
future of the city from an education-
al standpoint will be decided by the
people.

On July 3rd of the present year the
city Council, ever awake to the inter-
ests of Gainesville, commercially, edu-
cationally or otherwise, passed unani-
mously an ordinance providing for the
holding of a special election on Tues-
day, August 8, to determine whether
the city should issue bonds in the
sum of \$50,000 for the purpose of
securing additional advantages and fa-
cilities in or adjacent to Gainesville.
This ordinance was authorized by spe-
cial act of the Legislature at its last
session.

The people of Gainesville, as has al-
ready been demonstrated on divers oc-
casions, and never more forcibly than
in the fight for the State University,
are as a unit on educational progress,
and it is safe to assert that the bond
issue will be carried by an overwhelm-
ing majority. In fact, it is not be-
lieved that a score of voters can be
found who will oppose the move by the

ballots, and it is doubtful whether
there will be a dissenting vote.

The election will be held in the mu-
nicipal building, and the inspectors
will be W. L. Hill, W. S. Mcbowell,
D. A. Robertson, and F. X. Miller,
clerk. The polls will open at 8 o'clock
and close at sundown.

A great deal of interest is being
manifested in educational matters
now, and it is believed the people will
show their enterprise by pulling a
unanimous vote.

The Gainesville Graded and High
School will be placed on the Univer-
sity list, the same as many of the high
schools of the State. This will give
the young men a chance to prepare
themselves at home for admission to
the University, thus avoiding being
sent to preparatory schools.

MISS CAMP FETED.

Prominent Florida Young Lady Enter-
tained in Atlanta.

Owing to the popularity of the young
lady, who was formerly a frequent visi-
tor and has many friends here, the
following from a recent number of The
Atlanta Journal will be read with in-
terest:

"Miss Sallie Camp of Ocala, Fla.,
who is with the Misses Scott, is an es-
pecially popular visitor. A beautiful
reception was giving in her honor one
evening this week at the hospitable
Scott home, only the unmarried set
being present. Parlor, library, hall
and dining-room were opened and
beautifully decorated. Dancing and
cards were the amusements of the
evening, and all manner of refresh-
ments and cooling things were served.

"Miss Mary Jones and Miss Mar-
garet Coggins entertained charmingly
in Miss Camp's honor. The broad
porches and lawn of the Coggins' home
were swung with Chinese lanterns, and
palms, ferns, rugs and easy chairs
made an attractive picture. Indoors,
brilliant lights and a wealth of cut
flowers made the scene equally in-
viting. Progressive anagrams was the
game of the evening, and was much
enjoyed by those present. A number
of the first prize, which was finally
given to the guest of honor. Mr.
Yates of Atlanta won the 'booby.'

After the contest delicious punch,
cakes and cream were served.

"A small party, consisting of Miss
Camp, the Misses Scott, Miss Mary
Jones, Colonel Luke Tate, Mr. Albert
Jones, Mr. James Brown and Dr. John
Turk, spent an evening delightfully at
the Fields farm near town this week.

Scuppernon Grapes.

Rev. F. M. Hartman of Paradise was
in the city yesterday, and brought to
The Sun office a sample of his purple
scuppernon grapes that were very
large, as well as of excellent flavor.
Mr. Hartman has six different varieties
—white, purple, green, etc., but the
purple ones are very large, one meas-
uring 3 1/4 inches in circumference. He
expects to have about fifty bushels this
year.

He also brought a twig from the
"Wonderful Lemon" tree, which had
several blossoms. This tree blossoms
every month and has fruit at all sea-
sons, and at the present time it has
full grown lemons as large as a big
pear, and from that down to the blos-
soms.

Mr. Hartman is quite a fruit grower
at his home, and on his invitation we
expect to be with him some day in
Paradise.
